TORQ RACEWEAR - TERMS & CONDITIONS

1. Payment must be received in full order to process your order.
2. The lead time for your custom suit can be up to 8 weeks during the busy periods. The lead time begins once payment has been made in full. We will not be liable for any loss incurred due to production or delivery delays.
3. You will receive a final draft of your custom suit which we will need approval of. Scales and colours are accurate but may vary from the final product. We aim to be as accurate as possible when making a draft however variances in colour can occur due to screen resolutions, environmental factors, garment colour and varying dye strengths.
4. It is the customer's responsibility to gain authorisation to use any copyrighted, trademarked or licensed material.
5. If you have supplied your own measurements we take these sizes as accurate and your suit will be made according to these measurements provided. We will not be held responsible for sizing issues if the measurements provided were inaccurate. We will however do our best to resolve any sizing issues but this may incur extra costs.
6. This is a bespoke item for a one of kind suit to your specifications therefore refunds and returns are not possible.

I hereby declare that, I have fully read and understood all the terms and conditions
